How to get there: Hannover airport – Nienburg (Weser) train station Or Bremen airport - Syke train station From there we will organize a pick up for you. So we would need to know your travel dates and times.

Things to bring: We have mattresses and futon, as well as bedding for everyone. Please bring your own towel. Tanbuton (sittingmats) are available, but please bring your own zafu.

Kitchen help: Please let us know whether you are willing to help as main Tenzo (cook) for one day. Everyone else will be scheduled for helping with the meal service.

Teisho Text: Song of Enlightenment (continued) Shodoka

Notice: We have just started rebuilding the place, so the sleeping accommodation will be in 2-8 people rooms. We hope to build more sleeping facilities until the next Sesshin. We are also using an old heating system. Because of this the hot water for showers is very limited. Please take only very short showers of 1-2 Minutes during this one week. Thank you for your understanding. Looking forward to a good Sesshin together.
